

FRANK'S LANDING TAILGATE PARTY!

Frank's Landing Store held a BBQ Kickoff on Friday, September 19th to begin the football season. This successful event gave the Landing team valuable time to interact with their customers and the community in a positive way. Frank's Landing Store offers a wide variety of tobacco, both available at the drive-thru or inside. Customers often shop at Frank's Landing to take advantage of outlet pricing on cigarettes from Skookum Creek Tobacco.

Skookum Creek Tobacco Company attended the event and cooked up burgers and hotdogs for customers, along with a prize wheel offering coupons, t-shirts, hoodies, and other Skookum Creek gear.

Frank's Landing Gold Club members could also enter to win prizes. Raffle prizes were donated by various vendors and business partners and included: t-shirts, hats, commemorative merchandise, and a grand prize of a 40" TV. Ultimately Dana from Olympia won the amazing grand prize. Because she was present, she also won a Blu-ray player compliments of Skookum Creek Tobacco.

While at the event, customers learned about the new Gold Club, where by registering they can receive monthly communication from Frank's Landing, and special offers and discounts on select merchandise in the store. Signing up for the Gold Club is simple and membership is free. To join customers can visit the store kiosk or go to www.frankslanding.org.

Each purchase made at Frank's Landing directly supports vital community services such as the Wa He Lut Indian School where children from 26 federally recognized Indian Tribes come to learn traditional ways as part of a well-rounded education.
